# Terms & conditions

Bidding increments will be \$100 up to \$2,000, and then increments of \$250. Calves are weaned and broke to tie, and have had both first round of shots and a booster. Cattle have been pre-screened for health, soundness, disposition, and competitiveness; however, we cannot guarantee the future health, disposition, performance, soundness, fertility or quality of the calves. All sales are final, and purchases must be paid for within 14 days of the completion of the sale, or at the time of pickup or delivery, whichever is sooner. Trucking of cattle is the buyer's responsibility, and all cattle must be paid for in full prior to trucking. Registration and transfer of calves will be completed following the sale at our expense, however; association membership fees are the responsibility of the buyer. Calves remaining at our facility past November 1st will incur a \$5/day boarding charge to cover feed expenses. Five days after date of purchase, the health of the calves becomes the purchaser's responsibility, and we will not be held liable for injury or death. Insurance will be made available sale day through Harding & Harding. Steers can be insured up to \$5,000, and heifers for the entire purchase price. Bids are taken as a verbal agreement, and in the case of a returned check, a \$500 service charge will be added to the balance. Stream Cattle Co. or any affiliated personnel will be held liable for any accidents that may occur.
